INFORMATION DISCLOSURE STATEMENT WITH CERTIFICATE OF MAILING

Dear Sir:

- 1) Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98 applicant encloses a Form PTO-1449, a copy of the English version of the International Search Report issued on May 13, 2005 in the corresponding PCT International Application, and a copy and an English translation of a German Search Report issued on October 21, 2004 in a counterpart German application. A copy of reference AE is not (and need not be) enclosed, because it has been transmitted to the USPTO by the International Searching Authority in the International processing of this PCT application.

- 2) This Information Disclosure Statement is being filed simultaneously with the above identified new patent application.
- 3) References AA to AE are in English.
- 4) Moreover, the enclosed Search Reports indicate the degree of relevance of references AA to AE by category ( "Y" means relevant to obviousness when combined with another reference; and "A" means technological background). Thereby a concise explanation of the relevance has been provided (see MPEP §609).
- 5) The Examiner is requested to consider all references of record, return an initialed copy of the enclosed Form PTO-1449 and ensure that all references of record are printed on any patent issuing from this application.

Respectfully submitted,  
Herbert HANDL et al.  
Applicant
